*Proceedings of the Madras Government, Judicial Department,
21st January 1865.*

No. 207. Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Tanjore, 7th January 1865, No. 11.

With reference to the late orders of Government, regarding the Registration Act, and to the appointment of officers for carrying out the provisions of the same, I have the honor to request I may be informed if any, and what, responsibility attaches to me in the matter.

2. At Tanjore, I have made arrangements whereby the District Registrar has for the present the use of a commodious and convenient public building, and I have supplied him with such furniture as he urgently requires.

3. At Tranquebar, I find the District Registrar has himself made arrangements for his office, and has rented a house for Rupees 20 per mensem, and has also purchased furniture for the use of his office. I am, however, of opinion that the small amount of accommodation that officer requires might easily be found in the public buildings at Tranquebar; and had I been applied to, I could also have furnished, without cost, some furniture from the office of the Inam Deputy Collector, now about to be abolished.

4. I am, however, not aware whether Major Stevenson is placed entirely in an independent position, or whether, as would seem from the appointment generally of Revenue officers to carry out the provisions of the Act, I am called upon to exercise a general superintendence over the District Registrars.

5. I therefore beg to be favored with instructions, for my guidance.

No. 208. ORDER THEREON, 21st January 1865, No. 123.

The Officers of the Registration Department are in that capacity entirely independent of the Revenue Authorities. The Registrar General will see that buildings are not rented by the District Registrars, or furniture purchased, when accommodation in public buildings is available, and furniture can be supplied from other Departments.
