No. 197. From W. M. CADELL, Esq., Collector of Tanjore, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, Fort Saint George; dated Tanjore, 23rd February 1865, No. 34.

I have the honor to report that the Subsidiary Jail attached to the Taluq Kutcheri at Nannilam consists of but a single dark room six feet square, and in which both prisoners on remand and those under sentence, both male and female, are promiscuously confined, and the Sub-Collector having represented to me that increased accommodation was in consequence very urgently required, I addressed the Superintending Engineer and obtained the enclosed plan and estimate, amounting to Rupees 290, for making two wards in the said Jail.

2. This Officer has at the same time intimated to me, that he is, under Orders from Government, precluded from submitting himself estimates of this nature, and that the Inspector General of Jails has also stated that no funds are available at his disposal for "Jail buildings."

3. Under these circumstances, I take leave to forward herewith the above plan and estimate, with a view to obtaining the special sanction of Government for the same, and trust that the very urgent necessity for the work in question, and which has already been brought to the notice of Government, in my letter of the 27th December last, No. 1305, will secure my request being speedily complied with.

4. I take this opportunity also of stating that on a similar urgent representation, I have expended the sum of Rupees 62-1-5 in making certain alterations in the Subsidiary Jail attached to the Negapatam Taluq Kutcherri; on application, however, being made to the Superintending Engineer for a cheque, to the extent of the expenditure incurred, with a view to making the necessary adjustment in the Treasury Accounts, I was informed that no funds were available for the same.

5. I beg therefore to submit also a statement particular of the expenditure thus incurred, and in consideration of the urgency of these cases, I trust that the Government will be pleased to authorize the Superintending Engineer to disburse the said sums.

Referred to the Judicial Department.

CHEPAUK,
28th February 1865.

No. 198. From G. L. MORRIS, Esq., Collector of Tanjore, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, Fort Saint George, dated Point Calimere, 1st July 1865, No. 154.

I have the honor to call the attention of Government to Mr. Cadell's letter of the 23rd February 1865, No. 34, requesting that the Superintending Engineer may be authorized to disburse certain sums on account of Subsidiary Jails at Negapatam and Nannilam. The Jail at the former station was repaired in April 1864, at a cost of Rupees 62-1-5; but as the charge still stands as an advance in my Treasury accounts, and the Accountant General is repeatedly urging me to have it adjusted without further delay, I beg that the Government will be pleased to authorize the Superintending Engineer to pay me the sum of Rupees 62-1-5.

Proceedings of the Madras Government, Judicial Department,
19th September 1865.

2. I beg to take this opportunity of again bringing to the notice of Government the urgent necessity which exists for increased accommodation in the Subsidiary Jail at Nannilam. This subject has been twice pointed out to me since the date of Mr. Cadell's letter, and I have therefore to request that sanction may be accorded to the estimate and plan submitted with the aforesaid letter.

Transferred to the Judicial Department, to which Department Mr. Cadell's letter of the 23rd February last was referred on the 28th idem.
