No. 534. From Lieutenant-Colonel G. W. WALKER, R. E., Superintending Engineer, 7th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Department Public Works, dated Coonoor, 16th August 1865, No. 89.

SIR,

1. In G. O. No. 1,596, of 10th June 1865, funds were allotted for carrying out the work sanctioned in G. O. No. 3,648 of 10th December 1863, *i. e.*, Rupees 3,885 for a building which was to serve both as a Sub-Magistrate's Court House and as a Police Station at Vythery in the Wynad. Unfortunately the plan and estimate had never passed through this Office, and when received from your's in June last, I found that I could not approve of their being acted on. And having, at any rate, to ask sanction for a larger sum in consequence of deficient rates and sundry omissions, I took the opportunity of substituting a more compact and better arranged plan, which the Collector very much prefers to the original one, in which so much room is lost in open verandahs unsuitable to the Wynad climate.

2. In spite of the reduction effected in superficial area of plan, the revised estimate amounts to Rupees 5,250; and as there are no other funds available, I recommend that the difference of Rupees 1,365 be made up from the Police allotment of the current year.

P. S.—The sanctioned plan and estimate are re-submitted for comparison.

Referred to the Judicial Department, with reference to the orders in that Department, No. 1,867, dated 1st December 1863.

No. 535. From the Chief Secretary to Government, Judicial Department :—
(Here enter 16th September 1865, No. 360.)

From W. ROBINSON, Esq., Inspector General of Madras Police, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Kotagiri, 8th September 1865, No. 1,791.

SIR,

1. With reference to letter dated 16th August 1865, No. 89, from the Superintending Engineer, 7th Division, referred to me for report, I have the honor to state that the amount, viz., Rupees 1,365, Colonel Walker proposes to allot for the Police Station House at Vithery in South Malabar, is not available from the Police Budget grant.

2. The Deputy Inspector General of the Range reports that, although this building is certainly needed, yet huts for the men are still more urgently required.

Proceedings of the Madras Government, Public Works Department,

No. 536. ORDER THEREON, 22nd September 1865, No. 2,804.

CIVIL WORKS, No. 64.

1. The Governor in Council sanctions the revised estimate submitted by the Superintending Engineer of the 7th Division, amounting to Rupees 5,250, for the construction of a Sub-Magistrate's Office and Police Station House at Vythery, in the Malabar District.

2. The estimate, for Rupees 3,885, sanctioned in the Proceedings of Government No. 3,648, dated 10th December 1863, will be considered cancelled.

3. As there are no funds at the disposal of Government available for appropriation to Civil Works, and as the Inspector General of Police, in his letter above recorded, reports that the current year's Police allotment for the Malabar District is urgently required for the construction of huts for the men of the Force, the Superintending Engineer will restrict his expenditure on the building at Vythery to the sum* placed at his disposal in G. O. No. 1,596, dated 10th June 1865, unless he can provide the balance of the estimate by transfers from existing allotments for other works in his Division, in which case he will submit his proposals for the orders of Government.

* Rupees 3,885.
