No. 22. Read the following letter from Surgeon S. MASON, Lunatic Asylum; to the Deputy Inspector General of Hospitals, Presidency, dated Madras, 25th September 1865, No. 158.

Moonean, admitted into the Lunatic Asylum on the 11th January last, on the requisition of the Magistrate of Salem, has since June last been collected and quite rational, and as the young man is anxious to return to his family at Bangalore I beg to recommend his discharge, and accordingly forward the usual Discharge Certificate for the sanction of the Principal Inspector General.—He is destitute and has no pecuniary means to meet his travelling expenses to that station. Should his discharge be sanctioned, I would therefore solicit that provision, similar to that made in the case of Kulloovadoo Chetty in the Order of Government, No. 1286, 9th September 1865, may be extended to Moonean.
