Requests that the Dy Col. in charge of the Treasury, may be authorized to pay over to the Committee the balance of grant amounting to Rs 900 sanctioned in lieu of municipal funds for 1863/64 for peons given.

Reports

No 109 dated 25th Sept 1865

Proceedings of the Madras Government, Judicial Department,
16th October 1865.

Read the following papers:—

No. 91. From the Officer Commanding Ceded Districts and President of the Board of Municipal Commission, Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 25th September 1865, No. 109.

Application having been made to the Deputy Collector in charge of the Treasury, for the balance of grant, amounting to Rupees 900, in aid of Municipal Funds, for the year 1863-64, authorized by Proceedings of Government, No. 551, 19th April 1864, that officer has declined to pay this amount, assigning as his reason (as will be seen from copy of his letter enclosed) that, the amount not having been drawn during the year it has reference to, it consequently lapses to Government.

2. I have the honor, therefore, to request that you will have the goodness to submit the matter for the favorable consideration of His Excellency the Governor in Council. The delay in collecting the assessment for the past year arose from the Cantonment Magistrate not having considered himself empowered by existing regulations to enforce payment of arrears, which fact, as soon as known in the bazar, caused all those then in arrears to withhold payment.

3. The improvements which are urgently needed, on sanitary and other grounds, and which have been undertaken with a full reliance that the Government would pay over the equivalent of any amount, whenever collected from the inhabitants, will be greatly retarded, if not altogether hindered, without the aid in question. This being the first year of the operation of the Municipal Committee, its want of knowledge that, if the amount was not drawn within a certain period, it would form a bar to its claim altogether, will not, I trust, be considered inexcusable. Under these circumstances, and as the amount is not entered in any Budget, the Committee ventures to hope that His Excellency the Governor in Council will be pleased to authorize the Deputy Collector to pay over the amount now asked for, in arrears for 1863-64.

From the Deputy Collector in Charge of Treasury, Bellary, to the Honorary Secretary and Treasurer Municipal Commission, Cowle Bazar, Bellary; dated 11th September 1865, No. 1327.

DOCKET.—Your letter, No. 106, dated 11th instant.

2. Begs to return his receipt in duplicate for Rupees 900 received with the above, and informs him that, as the grant sanctioned in the Proceedings of Government, No. 551, dated 19th April 1864, is for 1863-64, it has lapsed on the termination of that year, and, therefore, no disbursement can now be made from the said grant.

Referred to the Accountant General for report whether funds are available to meet the proposed payment.
