*Proceedings of the Madras Government, Judicial Department,
20th October 1865.*

No. 141. Read the following letter from the Principal Sudder Ameen of Chittoor, to the Chief Secretary to Government, Fort Saint George; dated Chittoor, 14th October 1865, No. 12.

I have the honor to bring to your notice that, on the 6th instant, I applied to the Accountant General for instructions whether the rules contained in the Proceedings of the Government of India in the Financial Department, dated the 31st May 1862 (published in *Fort Saint George Gazette* for 1862, page 1008), regarding travelling allowance to Subordinate Officers and Menials in the service of Government, who travel by rail on the public service, were applicable to the servants of my Court, who lately travelled from Coimbatore to Chittoor, consequent on the transfer of this Court from the former to the latter station, under the orders of Government, dated the 9th September 1865, No. 1287.

2. The Accountant General, in his letter, dated the 12th instant (copy herewith submitted), informs me that the rules quoted would, in general, be applicable to the servants of my Court, but not upon an occasion like the present, and that when an establishment is permanently transferred from one station to another, travelling allowance to the ministerial officers and servants is admitted only upon the special sanction of Government, there being no general authority upon which the charge can be passed.

3. With reference to the foregoing opinion expressed by the Accountant General, I have the honor respectfully to submit the case of the servants of my Court to the favorable notice of Government, and request that sanction may be given for their travelling allowance.

From the Acting Deputy Accountant General, Madras, to the Principal Sudder Ameen, Chittoor; dated 12th October 1865, No. 2445.

2. The rules quoted would in general be applicable to the servants of your Court, but not upon an occasion like the present. When an Establishment is permanently transferred from one station to another, travelling allowance to the ministerial officers and servants is admitted only upon the special sanction of Government, there being no general authority upon which the charge can be otherwise passed.
