No. 175. Read the following letter from the Acting Inspector General of Jails, to the Secretary to Government, Fort Saint George; dated Ootacamund, 16th October 1865, No. 393.

I have the honor to submit, for the favorable consideration of Government, copy of a letter from the Superintendent of the Jail at Kurnool, recommending the release of convict named Mala Kondigadoo, on the score of the feeble state of his health.

2. Being in doubt as to whether the convict was really in a dangerous state, or merely so feeble as to be unable to complete his sentence of rigorous imprisonment, I made a reference upon the point, and was informed, in reply, that the man is not likely to live much longer.

3. The original statement of the case is herewith forwarded, from which it will be seen that the unexpired period of sentence is something under six months.

From the Superintendent of the Jail at Kurnool, to the Inspector General of Jails; dated Kurnool, 4th October 1865, No. 17.

I have the honor to submit, for your favorable recommendation, the case of convict Mala Kondigadoo, No. 1091, who was sentenced to three years' imprisonment, on 15th April 1863, by the Session Court of Nundial, for house breaking.

2. His character in Jail has been very good. He was a convict maistry from the 10th February 1865, up to the date of his illness.

3. The accompanying Statement of his case, from myself, as Medical Officer of the Jail, shews that the prisoner has no chance whatever of completing his sentence. I therefore respectfully beg to recommend that the remainder of his sentence be remitted.

Diarrhœa and Atrophia.

Mala Condigadoo, æt 21, C. P. Sentence 3 years.

Caste.—Dare. In Jail 2 years and 6 months.

Admitted on 26th June 1865, with Diarrhœa, and on 5th July, with Dysentery. These were followed by debility and emaciation. He has been treated with nourishing diet, Iron, Quinine, and other Tonics, and stimulants. His present weight is 5 stone and 7lbs., having lost 1 stone and 4lbs. since admission into Jail.

2. He has only six months more to complete his sentence of three years; but as he is extremely weak at present, I have no hope whatever of his being able to complete his sentence.

Civil Surgeon.
