*Proceedings of the Madras Government, Judicial Department,
28th October 1865.*

No. 210. Read the following letter from the Magistrate of the Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 16th October 1865, No. 218.

I have the honor to state that the two European Sailors referred to in the Government Proceedings of the 22nd September last (accused of stealing the Government Port Boat at this place) were at first apprehended in the District of Ganjam, and supplied with rations for three days, at 1 Rupee per diem, each (in aggregate Rupees 6), by the Chief Officer of the Steamer *Punjab*, while on board of her from Gopalpore to this place. A bill for this sum, accompanied by a certificate to that effect, signed by Police Head Constable in charge of the accused, having been received from Mr. D. Rasbotham, temporary Acting Agent of the Steamer at Cocanada, I have ordered the amount to be paid to the Agent from the permanent Advance Fund of my office. The rate of subsistence allowed to European prisoners in the Order of Government, dated 1st September 1862, No. 1430, is only four Annas, each, per diem. The rate charged in the bill in question being higher than that sanctioned by Government, and the charge being for rations issued by the Chief Officer of the Steamer while on board, I solicit the special sanction of Government to debit the amount in the Public Accounts, for refund to the permanent Advance Fund, from which the same has already been paid.

No. 211. ORDER THEREON, 28th October 1865, No. 1542.
Sanctioned, Rupees (6) six.
