Proceedings of the Madras Government, Judicial Department,
30th October 1865.

No. 220. Read the following letter from the Magistrate of Bellary, to the Chief Secretary to Government, Fort Saint George; dated Bellary, 17th October 1865, No. 75.

I have the honor, with reference to paragraph 1 of the Proceedings of Government, Judicial Department, No. 1361, of the 21st ultimo, to enclose original letters received by me from General McLeod and the Cantonment Magistrate; and, in so doing, would express my concurrence in the opinion expressed therein, that the most suitable and economical arrangement will be for Government to have an office built for the Cantonment Magistrate, within the limits of the Military Cantonment, and on a site easy of access to the parties who have to resort to his Court.

2. I may add that, on the arrival of the present Cantonment Magistrate, I offered him a large room adjoining my own in the Cutcherry; this he has hitherto occupied, and can do so till an Assistant Collector is posted to this station.

From the Officer Commanding Ceded Districts, to the Magistrate of Bellary; dated Bellary, 6th October 1865, No. 120.

With reference to your Memorandum and the Proceedings of Government and the orders passed on them, dated 21st September 1865, No. 1361, I have the honor to state that, as it appears that there is no public building available, which is conveniently situated and otherwise suitable, for the office of the Cantonment Magistrate, that Officer might, as a temporary measure, rent such accommodation as he can find, within the amount sanctioned by Government.

2. I am, however, of opinion that the Cantonment Magistrate's office should be within the limits of the Military Cantonments, and in such a position as to be easy of access to the Military generally, and to the inhabitants of the Cowle Bazaar.

3. I apprehend that it is difficult, if not impracticable, to secure an office so situated; I would, therefore, recommend that one be built. Should you and the Cantonment Magistrate concur in my views, and the Government sanction the proposal, I shall be happy, in communication with you, to select a site.

From the Cantonment Magistrate of Bellary, to the Collector and Magistrate of Bellary; dated Bellary, 17th October 1865, No. 367.

With reference to your docket forwarding me a copy of Government Order, No. 1361, dated 21st September 1865, together with a letter from the Officer Commanding Ceded Districts, and requesting my views on the 3rd paragraph of the same, I have the honor to acquaint you that I entirely concur in the opinion therein expressed by the Major General Commanding; at the same time I would request that I be permitted to rent an office, as soon as I may be able to secure a suitable building, till such time as a Cantonment Magistrate's office may be built.

No. 221. ORDER THEREON, 30th October 1865, No. 1547.

The necessary orders will be issued in the Department of Public Works, for the preparation of a Plan and Estimate for an office for the Cantonment Magistrate at Bellary.

2. It is presumed that the charge can be met from the Budget provision for Military buildings.

Proceedings of the Madras Government, Judicial Department,
30th October 1865.

3. Pending the completion of the new building, the Cantonment Magistrate
may rent a suitable house for an office, if opportunity offers.
