Proceedings of the Madras Government, Judicial Department,

3rd November 1865.

No. 31. Read the following letter from the Registrar General of Assurances, Madras, to the Chief Secretary to Government, Fort Saint George; dated Madras, 20th October 1865, No. 277.

On the first organization of the Registration Department, it was considered advisable to have a European Officer as Deputy Registrar of Ootacamund, and Major Campbell, the Joint Magistrate, was accordingly appointed to that office.

2. During my recent inspection of the office, I found that more than half the instruments registered were in Tamil, and as it appeared that Major Campbell was not acquainted with that language, there was no alternative, but to annul all these registrations as opposed to the provisions of Section 24 of Act XVI of 1864.

3. As it will be a great hardship to persons wishing to register Tamil instruments, if they are all referred, as they must at present be, to the District Registrar of Coimbatore, and as the loss of the fees on Tamil instruments will reduce the Commission from a monthly average of about Rupees 23 to a sum which may be insufficient to pay a writer, it seems desirable that some other arrangement should be made with regard to the Registration Office.

4. The Special Assistant Collector is so frequently absent on duty from Ootacamund that his appointment as Deputy Registrar seems out of the question. The Tahsildar and the Sub-Magistrate do not appear to know enough English to render it desirable to entrust them with the registration of English deeds. Under these circumstances, I beg, at the suggestion of the Collector, and with the concurrence of the Civil Judge, to recommend that T. Narain Row, Sheristadar of the Civil and Session Court of Ootacamund, be appointed Deputy Registrar of the Neilgherry Sub-District.

No. 32. ORDER THEREON, 3rd November 1865, No. 1569.

Under the circumstances brought to notice in the foregoing letter, and as it is understood that Major Campbell wishes to resign the appointment, the Governor in Council resolves to appoint T. Narain Row to be Deputy Registrar of Ootacamund.

I feel disposed to oppose the
arrangement proposed by Major

does not object to it. It seems to me to be
a serious anomaly that a ministerial officer
of a court of justice should be permitted to hold
office of his own
preference.
