*Proceedings of the Madras Government, Judicial Department,
7th November 1865.*

No. 47. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 27th October 1865, No. 2122.

I have the honor to request sanction to repay Rupees 17-13-7 to Captain Balmer, Superintendent of Nellore, being money disbursed by him to witnesses in the Javalladima gang robbery case, which was under preliminary investigation by Police and Sub-Magistrate in the early part of the year.

2. The case was one of great importance, and was worked out with much ability by the Police. It occupied a considerable time, in preliminary investigation; and the witnesses, while aiding the Police and awaiting the Sub-Magistrate's investigation, could not conveniently have their subsistence money disbursed to them in the usual way by the Sub-Magistrate. They were poor, and the Superintendent considerably allowed the Inspector in charge of the case to advance their daily subsistence. On his seeking the usual refund from the Sub-Magistrate who had had the case in hand, the Magistrate objected to payment without "special sanction," whatever this may mean.

3. There is no question about the fact of the honest disbursement of the money; no doubt about the humane consideration exercised by the Superintendent, who has now paid the money out of his own pocket. These advances must, from the nature of circumstances, frequently be made by the Police, and this is the first instance within my experience in which a Magistrate has demurred about reimbursing an officer.

No. 48. ORDER THEREON, 7th November 1865, No. 1572.

The Governor in Council sanctions the charge of Rupees (17-13-7) seventeen, Annas thirteen, and Pice seven, incurred by the Superintendent of Police, Nellore, on account of subsistence to the witnesses in the case referred to in the foregoing letter. The amount in question should have been disbursed by the Magistrate, under the authority conveyed in the Proceedings of Government of the 30th September 1864, No. 1449.
