Proceedings of the Madras Government, Judicial Department,

8th November 1865.

Read the following papers :—

No. 66. From Lieutenant Colonel F. YOUNG, late Cantonment Joint Magistrate of Wellington, to the Chief Secretary to Government, Fort Saint George; dated Coonoor, 9th October 1865.

With reference to G. O. G. O., No. 156A of 1863,* published under the authority and directions of the Right Honorable the Secretary of State for India, regarding revised Staff salaries, paragraph

* *Parliament G. O. G. O., No. 156A of 1863.*

4, Clause 1st, states that the salaries of Military Officers holding Civil appointments should be consolidated, without reference to the rank of the incumbent, but as this is qualified by paragraph 30 stating that reductions of salaries so effected are not to affect present permanent incumbents, I have the honor to point out that the order consolidating my pay as Cantonment Joint Magistrate at Rupees 700 per mensem affected me injuriously, and I beg to express a hope that His Excellency the Governor in Council will kindly permit me to receive my pay from 1st June to 25th August last (latter date of resignation) under the rules I was originally appointed, viz., to receive the pay of my rank, and Rupees 70 Staff pay. The difference thus claimed amounts to Rupees 555-5-2.

Referred to the Controller of Military Accounts, for his remarks.

Fort Saint George,
17th October 1865.

(Signed) W. HUDLESTON,
Acting Secretary to Government.

No. 67. From the Controller of Military Accounts, Fort Saint George, to the Chief Secretary to Government, Fort Saint George; dated 30th October 1865, B.

I have the honor to return the letter of Lieutenant Colonel Young, late Cantonment Joint Magistrate, Wellington with its enclosures, referred under your docket of the 17th instant, and to observe

Dated 30th October 1865.

the G. O. G. O., No. 156A of 1863, notified the Secretary of State's approval of the general principle that the salaries of Military Officers holding appointments connected with the Civil administration of the country should be consolidated, and fixed without reference to the rank of the incumbent; but it did not fix the amount of any Civil salary, and effected neither increase nor reduction of such salaries.

2. It notified approval of a scale of salaries for certain specified Military Staff appointments.

3. The 30th paragraph of the Despatch provides that reductions effected by the order should not affect present permanent incumbents, clearly referring to the reductions which the scale of salaries prescribed by the order involved.

4. The paragraph had no reference to Civil appointments. None of those, as before observed, were specially dealt with in the Order; and in the Despatch of the 8th October 1863, No. 252, recorded in G. O. G. O., dated 9th February 1864, No. 21, the Secretary of State insists on the restriction of Military Officers on consolidated Civil salary to that Civil salary, whatever may be the amount of the Military pay due to their rank.

5. Lieutenant Colonel Young is not, therefore, secured in any allowance under the guarantee referred to by him.
