*Proceedings of the Madras Government, Judicial Department,
10th November 1865.*

No. 84. Read the following letter from the Inspector General of Police, to the Chief Secretary to Government, Fort Saint George; dated Madras, 10th November 1865, No. 2181.

I find that the band of Heratees now at Trichinopoly are provided with ponies, tents, and other conveniences for travelling by land, which it would be inconvenient to dispose of and expensive to send with them by sea.

2. They express also a strong desire to be permitted by Government to go by land.

3. This I think may be admitted with safety under surveillance, and I will, with the permission of Government, direct the Superintendents of Districts through which they pass, by the most direct route to their native country, to look well after them.

4. I request early orders.

No. 85. ORDER THEREON, 10th November 1865, No. 1599.

The Governor in Council approves of the arrangement proposed in the foregoing letter.
