28th January 1865.*

No. 264. Read the following letter from Captain M. W. CARR, Assistant Inspector General of Police, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 27th January 1865, No. 182.

Audit Department.

I have the honor to forward, for the consideration of Government, a communication from Lieutenant Warlow, having reference to the leave of absence lately obtained by that Officer, for the purpose of proceeding to the Cape of Good Hope.

From Lieutenant J. P. WARLOW, Assistant Superintendent of Police, to W. ROBINSON, Esq., Inspector General of Madras Police; dated Adyar, 27th January 1865.

In forwarding enclosed copy of Proceedings* of the Madras Government, I have the honor

to request that you will do me the favor of moving Government to make a special case of the leave granted to me in the G. OS., marginally noted, and to which it appears, from the Telegram from the Military Secretary to the Government of India, I was not entitled.

2. Before applying for the leave in question, I made particular inquiries as to the exact conditions upon which I could obtain leave to the Cape. I was at the time doubtful whether I should proceed to the Cape only, or on to England, and I eventually decided upon going to the former place, in preference to the latter, owing to the advantages with regard to pay and service, which, according to the information furnished to me by the Civil Paymaster, I should enjoy. I herewith forward the original Memoranda on the subject received from him.

3. These different Memoranda I showed to my Agents Messrs. Arbuthnot & Co., who, in consideration of the pay to be drawn by them during my absence, advanced me a considerable sum of money, to pay the passage money of myself and family in the "Barham;" and I may remark, incidentally, that owing to the ship being induced to touch at the Cape, solely on my account, I had to pay as much as I should have had I proceeded on to England in her.

4. On my return to Madras, on 22nd December last, I was informed by my Agents that they had been able to draw my pay up to the end of August only, the Civil Auditor having refused to pass the Bills subsequently sent in by them, on the grounds that an objection having been raised by the Military Department to the leave granted to me, no pay could be given until the question was decided.

5. I now find myself heavily indebted to my Agents, and unable to obtain any portion of pay for the period during which I was absent on leave. This would under any circumstances be most inconvenient; but now, when I am on the eve of proceeding Home on sick certificate, it has involved me in great pecuniary difficulties, out of which I shall find it extremely difficult to extricate myself, unless the Government are pleased to make a special case of my leave, and permit me to enjoy the advantages, which, at the time of obtaining the leave in question, I fully

believed myself to be entitled to, on the authority of the Civil Paymaster, whose information I had every reason to suppose would be correct. In the margin, I note the amounts to which, subject to the usual deductions, I should be entitled, had the Civil Auditor's judgment regarding my leave been upheld.

6. Not only am I unable to obtain this pay, but I am now in danger of being retrenched the whole amount drawn by me, whilst on privilege leave, from 16th July to 31st August 1864, (nearly Rupees 850), owing to my not having rejoined my appointment, before proceeding to the

Cape. Had it been necessary, I might have rejoined with the greatest ease, as my district is easily accessible from Madras; but I did not join, owing to my being informed by the Civil Auditor* that it was unnecessary for me to do so.

* Memorandum A. Paragraph 2.

7. Taking all the circumstances of the case into consideration, I trust that you will favor me by forwarding this application on to Government, with a recommendation that my request should be complied with.

No. 265. ORDER THEREON, 28th January 1865, No. 161.
