*Proceedings of the Madras Government, Public Works Department,
25th October 1865.*

No. 650. Read the following Proceedings of the Madras Government in the
Judicial Department:—

Observing that it will be considered in the Public Works Department, whether it is desirable to purchase Dr. Beatson's house at Trichinopoly for Rupees 10,000, and whether funds for the purchase can be made available. } (Here enter 20th October 1865, No. 1,498.)

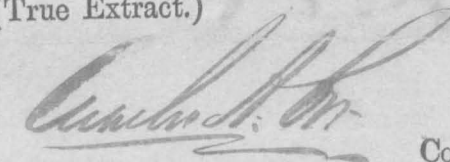

No. 651. ORDER THEREON, 25th October 1865, No. 3,216.

CIVIL WORKS, No. 95.

1. As the amount which Messrs. Binny & Co. are prepared to accept for Dr. Beatson's house is considerably below the value fixed upon it by the Executive Engineer at Trichinopoly, the Government consider that it would be desirable to purchase the building at the price named, viz., Rupees 10,000.

2. The Public Works Reserve under all heads is exhausted, but a reference will at once be made to the Consulting Engineer for the Madras Irrigation and Canal Company, to ascertain whether the above mentioned sum can be spared from the unappropriated balance of the Budget allotment for lands to be taken up for the Company's works during the current official year. Captain Mullins will report upon this point at an early date.
