No. 216. Read the following letter from T. MOOTOOSAWMY IYER, Principal Sudder Ameen of Mangalore, to the Chief Secretary to Government, Fort Saint George; dated Mangalore, 15th November 1865, No. 66.

I have the honor to submit, for the orders of Government, the correspondence* that has passed between me and the Accountant General, in regard to the question, whether or not I am entitled to pay, whilst on my way from Tanjore to this station to take up my new appointment. The Accountant General considers that I am not, without a certificate from Government that I was transferred to this District, not at my request, but in the interest of the public service, and further, that I was wrong in supposing that a certificate was necessary only in the event of my claiming travelling allowance, which I did not. I beg also to submit, for the information of Government, that I made over charge of my office at Tanjore on the 8th June last, and arrived at this station on the 8th July, without exceeding the joining time allowed under paragraph 58, Section 5, of the Uncovenanted Service Rules (*Vade Mecum*, page 40).

2. Under these circumstances, I respectfully beg that the Government may be pleased either to direct the Accountant General to dispense with the certificate called for by him, or to favor me with such order as may appear necessary for my guidance.

* A Memorandum containing the Accountant General's remarks, my reply thereto, and his final instructions.
