No. 220. Read the following letter from the Magistrate of Salem, to the Chief Secretary to Government, Fort Saint George; dated Salem, 25th November 1865, No. 44.

See Government Orders, 29th September 1865, and 10th November 1865.

I have the honor to inform you that a large body of Heratees, under escort, have arrived here from Trichinopoly.

2. Since their arrival, they have persistently refused to proceed via Bangalore, and are bent on going by Madras, and the only reason they give is their wish to see the Governor.

3. I have argued and reasoned with them to no purpose.

4. There seem but two ways of dealing with them, either to allow them to go to Madras, or to compel them to go to Bangalore, by using force, if necessary.

5. In the latter case, a very strong force of Police will be necessary, and it may also be necessary to hand-cuff a large number of the males of the party. Instructions are requested.

No. 221. ORDER THEREON, 27th November 1865, No. 1692.

The Heratees referred to must be sent by Bangalore, as previously ordered. The Magistrate will take such steps as he may deem necessary to ensure the removal of the Heratees from his District, by the prescribed route.
