No. 34. Read the following letter from the Magistrate of Trichinopoly, to the Chief Secretary to Government, Fort Saint George; dated Trichinopoly, 20th November 1865, No. 47.

In obedience to the Order of Government, No. 1044, dated the 26th of July 1865, passed in the Judicial Department, on my letter to your address, under date the 11th of July, No. 26, in which a plan and estimate was called for from the Public Works Department, for enlarging this Cutcherry, in order to provide room for the Courts of the Cantonment Magistrate and Judge of Small Causes, I have the honor to forward, for approval, an estimate* submitted to me by the Superintending Engineer of this Division.

*2,650 Rupees.

2. The Civil and Session Judge of this station has informed me that Government have sanctioned the purchase of Dr. Beatson's house at this station, with a view to converting it into a Court-house, and in this building there is ample space to accommodate the Cantonment Magistrate and Judge of Small Causes' Offices, with records, &c.

3. I lived in this building for some time, so am well acquainted with its capabilities as to accommodation, &c.; but before bringing the subject to the notice of Government, I consulted Mr. Harris, and, with him, personally visited the house this morning, and we both agree that it will be an excellent and convenient arrangement to assign a portion of the Court-house for the use of the Cantonment Magistrate, and Judge of Small Causes.

4. Should the Government approve of my suggestion, this arrangement will render it unnecessary to incur the expense involved in adding to my present office building.

No. 35. ORDER THEREON, 5th December 1865, No. 1730.

The Governor in Council sanctions the location of the Offices of the Cantonment Magistrate and Judge of the Court of Small Causes at Trichinopoly in the building about to be purchased from Messrs. Binny and Co. and converted into a Zillah Court House. It is observed that the proposal of the Magistrate has been concurred in by the Civil Judge.

2. The plan and estimate received with the foregoing letter will be returned to the Superintending Engineer, through the Public Works Department.
