Proceedings of the Madras Government, Public Works Department,

29th November 1865.

No. 668. Read the following letter from the Officiating Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 7th November 1865, No. 1,632:—

2 Plans.
1 Estimate.
1 Specification.

1. I have the honor to submit herewith a revised plan and estimate of a Sub-Magistrate's Cutcherry and Police

Station-house for Darangabadi, in the Ganjam District.

2. This estimate, which provides for the construction of an enclosure wall, and a well within the compound, as directed in G. O. No. 451, of 15th February 1865, amounts to Rupees 8,750, and has been approved of by the District Magistrate.

No. 669. ORDER THEREON, 29th November 1865, No. 3,600.

CIVIL WORKS, No. 96.

1. The Governor in Council sanctions the revised estimate of Rs. 8,750, submitted with this letter for a Sub-Magistrate's Cutcherry and Police Station at Darangabadi in the Ganjam District. It occurs to His Excellency however, for various reasons, that three windows to each of the lock-ups, placed at the points marked in the enclosed plan, would be preferable to the four windows proposed by the Superintending Engineer.

2. It is observed that a sum of Rupees 3,000 was allotted for this work in Proceedings No. 1,868, dated 4th July 1865.
