*Proceedings of the Madras Government, Judicial Department,
13th December 1865.*

No. 107. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George ; dated Ootacamund, 29th November 1865, No. 560.

I have the honor to request that, as the Jailer of the District Jail at Ootacamund has for some months past been compelled to visit a gang working $4\frac{1}{2}$ miles from the Jail, he may be allowed 15 Rupees monthly for horse allowance, which I would recommend be paid in arrears for six months.

2. I had refused to recommend this while the prisoners in the Subsidiary Jail were employed within $2\frac{1}{2}$ miles of the District Jail ; but as they have for the last six months been employed, generally, at a distance of more than three miles, and there is not in this, as in other Jails, a Deputy whose ordinary duty it is to visit the gangs at labor, I have considered the claim to consideration a proper one.

3. Mr. Cherry recommends the allowance.

From J. W. CHERRY, Esq., in charge of the Native Jail at Ootacamund, to the Inspector General of Jails ; dated Ootacamund, 27th November 1865, No. 102.

I have the honor to bring to your notice that Mr. Moss, Jailer of the Native Jail, has represented to me that he has additional duties to perform, inasmuch as he has charge of the convicts located at the end of the Lake, who are employed on the public road about $2\frac{1}{2}$ miles further off ; thus he has to walk a distance of nine miles every time he visits the gang of convicts at work. Under these circumstances, I would recommend that he be allowed horse allowance, at the rate of Rupees 15 per mensem, to enable him efficiently to superintend the labor of the convicts.

No. 108. ORDER THEREON, 13th December 1865, No. 1779.

The Governor in Council sanctions the grant to the Jailer of the District Jail at Ootacamund of horse allowance, at the rate of 15 Rupees per mensem, in arrears from the 1st June last. This allowance will be continued to him so long as he may be required to superintend the labor of convicts employed at a distance of not less than three miles from the District Jail.
