No. 111. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 6th December 1865, No. 602.

I have the honor to request permission to charge rent, at Rupees 50 monthly, for the rooms occupied by my office at Ootacamund, from the 1st January of this year.

(47.)

2. On the 10th January 1857, the Government sanctioned my drawing this amount while my office was accommodated in a house which I rented in Madras.

E.MC. 665/12-5-59.

Letter, No. 204, 11th May 1859.

3. In May 1859, I reported the discontinuance of this arrangement, consequent on my being directed personally to undertake the building of the new Jail on the Hills.

Order, No. 1843, 1st October 1859.

4. From the 1st July 1859, I obtained permission to draw office rent monthly at the same rate.

5. I continued to draw rent while I rented as eparate building for the purpose, but since I have held office in the house I rent, where I gave up an extensive suite of rooms to the purpose, I have not thought it right to draw rent on the terms allowed by the Order of the 10th January 1857, without previous sanction.

6. Colonel Wilson mentioned his having incurred expenses for the accommodation of such of the office as accompanied him, which I said I would hand over to him on my drawing the rent.

7. As the office continued at my house, I have not thought it necessary to deduct the rent for the time I was on leave.

8. I pay altogether Rupees 300 monthly for my house (and this at a lower rate by special agreement at the time of sale), and have not thought 50 Rupees too large a proportion to charge for rent for the office rooms.

No. 112. ORDER THEREON, 13th December 1865, No. 1781.

The Governor in Council authorizes the Inspector General of Jails to draw office rent, at the rate of Rupees 50 per mensem, from the period referred to, and for so long as the present arrangement in regard to the location of the office may continue in force.
