No. 133. Read the following letter from the Officer in Medical charge of the Lunatic Asylum, Madras, to the Deputy Inspector General of Hospitals, Presidency; dated 22nd November 1865, No. 206.

Vishvum Buthu, admitted into the Asylum on the 28th December 1864, under the Order of Government, No. 1816, bearing date the 17th December 1864, being recovered, and having continued sane for upwards of 4 months, and the man being anxious to return to his family now residing at Tirputty, I have the honor to recommend his discharge, and also that of Unkalla Dausaree, admitted on the 11th March last, on the requisition of the Magistrate of Cuddapah. He has been sane for the last five months, and is desirous to rejoin his friends residing at Allyroddiapally, in the Taluq of Pulivendula, about (as he states) 50 miles from Cuddapah.

2. As both the men are destitute, and have not the means to defray their expenses to their native country, I would respectfully recommend that provision may be made to enable them to do so, and be supplied with a cumbly and six cubits of common cloth each, as they brought no clothing belonging to them, except a small piece of rag on the day of their admission into the Asylum.

From the Magistrate of Cuddapah, to the Officer in charge of the Lunatic Asylum, Madras; dated Cuddapah, 28th February 1865, No. 149.

With reference to paragraph 4 of the Order of Government, dated 29th April 1862, No. 634, I have the honor to enclose a certificate, as per prescribed form, furnished by the Native Surgeon

at Cuddapah, agreeably to Section 4 of Act XXXVI of 1858, regarding a Lunatic, who has neither relatives nor friends to take care of him. I have also examined and found him to be of the same state as certified by the Native Surgeon.

Unkalla Dausaree, inhabitant of Allyreddipally in the Taluq of Pulivendula.

I request you will let me know if you can receive him into the Asylum at Madras, for detention and treatment.

I the undersigned, M. Iyasawmy Pillay, Native Surgeon of Cuddapah, hereby certify that I, on the 13th day of February 1865, at Cuddapah, personally examined Unkalla Dausaree, an inhabitant of Allyreddipally in the Taluq of Pulivendula, and that the said Unkalla Dausaree is a Lunatic, and a proper person to be taken charge of, and detained under care and treatment, and that I have formed this opinion on the following grounds, namely :—

1. Facts indicating insanity observed by myself. Has a wild appearance. He gets at times violently excited and uses most obscene language, and frequently attempts to commit assault on his attendants. Eyes slightly injected. Pupils contracted. He is very filthy in his habits.

2. Other facts indicating insanity communicated to me by others. The Tahsildar of Pulivendula reports that the man often attempted to set fire to the houses and strawheaps, carrying a spear with him, threatening and using violence to the village people. The Police Constable, No. 1217, who accompanied him, states that the prisoner was very troublesome in the road, and that he never saw him sleep either in the day or night.
