*Proceedings of the Madras Government, Judicial Department,  
8th February 1865.*

No. 113. Read the following letter from Major R. M. MACDONALD, Registrar General of Assurances, Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 3rd February 1865, No. 49.

Adverting to paragraph 6 of the Government Order, No. 50, of the 6th December 1864, I have the honor to state that I have conferred on the subject of a suitable site for the General and District Register Office with the Superintending Engineer, Presidency Division, who recommends the south half of the old Timber Depôt, the northern half having been already appropriated for the new Stamp Office.

2. I have examined the ground with Colonel Boileau, and am of opinion that it will answer the purposes required. The situation will be a convenient one for the public, and there are obvious advantages in the Register Office being near the Stamp Office.

3. As far as I am aware of, the ground is not required for any other public building.

No. 114. ORDER THEREON, 8th February 1865, No. 234.

The proposition made in the foregoing letter must lie over, until the question of the removal of the Commissariat Granary to the Grand Jail has been settled in the Military Department.

(True Extract.)

*Chief Secretary.*
