Proceedings of the Madras Government, Judicial Department, 10th January 1865.

Read the following papers :—

No. 56. From G. A. BALLARD, Esq., Magistrate of Malabar, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Cochin, 13th December 1864, No. 159.

The Joint Magistrate of Cochin has brought to my notice that it was represented to him, on his late official visit to Tangacherri, by the Sub-Magistrate of that station, that he and his family, as well as his Office establishment, were deprived of the means of obtaining Medical aid in cases of sickness, and that the Travancore Sirkar Hospital was closed to them, on the ground that they were servants of the British Government.

2. The Joint Magistrate spoke to the Medical Officer of H. M.'s 17th Regiment N. I., stationed at Quilon,* on the subject; but he stated he was not at liberty to give medicines, from the stock entrusted to him for the Regiment, without special sanction.

* Distant about two miles from Tangacherri.

3. Under these circumstances, I have the honor to request that the Government will be pleased to authorize the Medical Officer of the Regiment stationed at Quilon to issue medicines to the Sub-Magistrate of Tangacherri, and his Office establishment, when required.

Referred to the Principal Inspector General, Medical Department, for his remarks.

FORT SAINT GEORGE,
22nd December 1864.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 57. From R. COLE, Esq., Principal Inspector General, Medical Department, Fort Saint George, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 5th January 1865, No. 3.

Referring to letter;* No. 159, from the Magistrate of Malabar, and your docket, under date the 22nd ultimo, I have the honor to observe that the Medical Officer at Quilon must have acted under a misapprehension in refusing to supply a Civil Officer of Government with the medicines, prescribed by himself, from the Regimental Dispensary.

* Dated Cochin, 13th December 1864, herewith returned.

2. Instructions have been issued to the Medical Officer in question.
