Read the following papers :—

No. 82. From W. HODGSON, Esq., Civil and Session Judge of Guntoor, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George ; dated Guntoor, 18th February 1865.

I have the honor to bring to the notice of Government that the Jail under my charge, the Civil Dispensary, and the Civil Station are now left with but two Native Dressers, to afford medical aid.

2. The Government are aware that European ladies, of whom there are five now, and will presently be six at this station, do not like to submit, in case of illness, to other than European medical treatment.

3. Mr. Morris, the Assistant Apothecary in charge, has just left for Masulipatam, to appear at an examination for a Sub-Assistant Surgeoncy in the Vaccine Department, and if he succeeds, as there is much reason to think he will, his services will be no longer available for the medical charge of this station.

4. I have the honor, therefore, both on public and private grounds, to request that Government will be good enough to appoint a Zillah Surgeon to Guntoor, the more that I have been informed, from a reliable source, that this measure has already been under consideration, but unavoidably postponed, owing to the paucity of Medical Officers available for Civil employment ; and I would venture to suggest that such officer should have charge of the Jail upon the salary appertaining to such charge, as the pay proper of a Zillah Surgeon, would even then, I am informed, be less than a medical man of such experience and standing, as it is desirable to place in charge of a Zillah station having a large Jail containing upwards of 350 prisoners, would draw if doing regimental duty.

Referred to the Principal Inspector General, Medical Department, for report.

FORT SAINT GEORGE,
23rd February 1865.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 83. From R. COLE, Esq., Principal Inspector General, Medical Department, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George ; dated 28th February 1865, No. 59.

I have the honor to acknowledge receipt of the letter marginally noted, referred to me with your office Docket, dated 23rd instant, for report, and to state that Assistant Surgeon Bilderbeck has been detailed

From the Civil and Session Judge of Guntoor, dated 18th February 1865, herewith returned.

for the duty of officiating as Zillah Surgeon of Guntoor, during the absence of Assistant Surgeon Parker, on sick leave, and immediate inquiry will be instituted as to the reason of his not having joined the Centre Division, under the Deputy Inspector General of Hospitals of which he has been appointed to serve, for the purpose of being employed on this temporary duty. The exigencies of the Service have hitherto prevented the nomination of a Zillah Surgeon to this station, there having been no officer available.

No. 84. ORDER THEREON, 14th March 1865, No. 398.

Ordered that the letter of the Principal Inspector General, Medical Department, recorded above, be communicated to the Civil and Session Judge of Guntoor.
