Proceedings of the Madras Government, Judicial Department,
22nd March 1865.

No. 165. Read the following letter from W. ROBINSON, Esq., Inspector General of Police, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 15th March 1865, No. 565.

General Department.

The Superintendent of Police of South Malabar reports that an Hospital is being built by private subscription at Gudalur in South Wynad. One thousand three hundred and fifty Rupees had been collected up to the middle of last month, and annual donations to the amount of 465 Rupees subscribed.

2. Gudalur and its neighbourhood are very unhealthy; but the necessities of this rising district require that Police be maintained there, and at several stations, and around it. The terrible visitation of March and April last is within the recollection of Government. The Police suffered in common with others.

3. I am most anxious to secure the benefit of this institution for the Police, and at the recommendation of the Superintendent, and with the approval of the Magistrate, request permission to contribute 500 Rupees towards the building. This will be most usefully expended in building a separate Police ward, as a part of the general building.

4. As the expenses of dieting in-patients, lighting, providing menial attendance, &c., are to be defrayed entirely by private subscriptions, I would propose giving a small monthly subscription to cover any expenses that may be incurred on account, by the Police, and to assist in the general scheme. One hundred (100) Rupees a year, paid in quarterly instalments, would be a fair amount.

5. The former charge may be met from the building grant, and the latter from contingent charges.

No. 166. ORDER THEREON, 22nd March 1865, No. 448.

The Governor in Council authorizes the Inspector General of Police to contribute Rupees 500 towards the erection of the Hospital about to be built at Gudalur, and the annual sum of Rupees 75 towards the expenses of the Institution.
