This is to certify that, according to the Records of the Office of the Registrar the late Supreme Court, the petitioner Charles Peter Doneaud was entertained on the establishment on the 24th of October 1831, from which date, until the 31st May 1856, his service in the office was continuous. On the 31st May 1856, his services were temporarily dispensed with; but he was re-entertained on the 19th September 1859, since when his services have been continuous, and that he is now unfit for work in consequence of ill-health and bodily infirmity and debility.

C.

From A. M. RITCHIE, Esq., Registrar High Court, Madras, Original Side, to the Civil Paymaster, Fort Saint George; dated Madras, 20th July 1864.

At the instance of Mr. C. P. Doneaud, Manager in the Registrar's Office (Original Side) of Her Majesty's High Court of Judicature at Madras, I have the honor to transmit herewith the accompanying Petition and Certificates annexed thereto from him, to the address of the Honorable the Governor in Council praying for a pension.

2. I strongly recommend the prayer of Mr. Doneaud's petition to the favorable consideration of Government, for, independently of his long service, I can testify that so long as Mr. Doneaud was capable of performing his duties, he was a highly efficient public servant.

D.

Charles Peter Doneaud, Manager of the Registrar's Office of the High Court, Madras, Original Side, forty-nine years of age, and thirty years of service, having applied to me for a Certificate on which to ground an application for transfer to the Pension establishment. I, hereby, certify that I have carefully examined the individual, and find that he is suffering from general debility and long continued leprous state of left hand and both feet, which incapacitate him from further effective service; and I do declare that, to the best of my knowledge and belief, these disqualifications have not been occasioned by intemperance or any other irregular habits.
