*Proceedings of the Madras Government, Judicial Department,
29th March 1865.*

No. 239. Read the following letter from J. D. GOLDINGHAM, Esq., Acting Civil Judge of Madura, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated 20th March 1865, No. 115.

I have the honor to enclose, for the inspection of the Government, a gold and a silver coin, together with a copy of the inscriptions thereon. These coins, and five more similar to the gold one, were found among the unclaimed property, and I thought it a pity to sell them, without first ascertaining whether or not the Government would like to place them in the Museum at Madras. No one here knows to what era they belong, or under what Government they were struck. They may be curious; and if the Government think so, I should be glad to have their instructions as to their disposal. I believe His Highness Prince Frederick of Holstein would feel some interest in them, if he saw them, and perhaps he would be glad to possess one or two of them.

No. 240. ORDER THEREON, 29th March 1865, No. 493.

The Acting Civil Judge will send the coins, referred to, to the Central Museum.

2. The two coins, received with the foregoing letter, will be sent to the Superintendent.
