*Proceedings of the Madras Government, Judicial Department,
5th April 1865.*

No. 42. Read the following letter from G. THORNHILL, Esq., Collector of Kistna District, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Baupetlah, 29th March 1865, No. 9.

I regret to state that, since the march of the 4th Regiment M. N. I. through the District, cholera has spread widely through the Western Taluqs.

2. The Tahsildar of Rajapett reports 134 deaths within his Taluq. In the Taluqs of Vinukonda, Palnaud, Guntoor, and Baupetlah, it is more or less prevalent, but no details of the number of deaths have yet been received.

3. Some cases have also occurred at Bezoara and Nandigama on the Hyderabad road.

4. The eastern portion of the District is still free, and I am glad to state that the disease has not shown itself in Masulipatam, or in any of the inundated villages.

No. 43. ORDER THEREON, 5th April 1865, No. 531.
