Proceedings of the Madras Government, Judicial Department,

5th April 1865.

No. 53. Read the following letter from J. I. MINCHIN, Esq., Magistrate of Kurnool, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated on Circuit, Nundial, 27th March 1865, No. 10.

With reference to the Government Order, dated 10th December 1864, No. 1785, on the application of certain inhabitants of Kurnool for the introduction of Act XXVI of 1850, three months having elapsed since the publication of the preliminary Notification in the *Fort Saint George and Kurnool District Gazettes*, and its proclamation in the town of Kurnool, I have the honor to state that I have kept open the necessary books in my office, and while no parties have recorded their dissent, one hundred names have been entered in favor of the proposed measure.

2. Such an expression of opinion may appear small, but I have no hesitation in stating that it is the general wish of the inhabitants that the Act should be introduced, as they are aware of the necessity of raising local taxation to pay for the water to be supplied by the Irrigation Company to the town, and are looking anxiously for the completion of the distributing channels, which will give them the benefit of water in their own houses, for which they are perfectly willing to pay.

3. The Government are aware that a Municipal Association, supported by voluntary contributions, has been at work in the town for nearly two years, and will probably wish to appoint as Commissioners under the Act the gentlemen who have hitherto acted as the working members of the Association:—
