Proceedings of the Madras Government, Judicial Department, 19*th April* 1865.

No.130. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 15th March 1865, No. 1272.

Read an Endorsement from the Home Department, No. 1648, dated the 20th ultimo, forwarding, for considerations and orders, a letter from the Government of Madras, inquiring whether Clerks employed in the Registration Offices, established under Act XVI of 1864, will be admitted to the benefit of the Uncovenanted Civil Service Pension Rules.

RESOLUTION.

The Governor General in Council is pleased to decide that the inquiry of the Madras Government shall be answered in the affirmative, in respect of those establishments for working Act XVI of 1864 which have been fixed, both as to strength and pay, by the Government of India. The mere circumstance of fees which are paid into the Government Treasury being partly appropriated to cover the cost of the establishments referred to, does not disqualify the members thereof, who are serving otherwise in eligible grades, from counting their service towards pension.

2. But as the establishments in question have been sanctioned only provisionally, and are open to revision, generally, after a year, the privilege now conceded, of counting service towards pension, can be enjoyed only by those who may be retained on the final revision; while those who may be discharged on such revision, will be considered to have served on a temporary establishment.

3. At the same time, His Excellency in Council, in the Financial Department, is of opinion that all the charges connected with the worki
Act, including pensions, should be covered by the fees, which should be fixed at rates sufficient to meet all liabilities. But as it would not be advisable to make this particular class of pensions a separate charge upon an appropriated fund, the fees not required to pay the salaries and contingent expenses should be paid to the general revenue, and the pensions should be charged in the usual manner, on the grant for superannuations.

Ordered that a copy of the above Resolution be sent to the Home Department, for information and further orders.

Ordered, also, that a copy of the Resolution be sent to the several Civil Paymasters, and Deputy Auditors and Accountants General, for information and guidance.
