Proceedings of the Madras Government, Judicial Department, 25th April 1865.

No. 172. Read the following letter from C. A. ROBERTS, Esq., Civil Judge of Chittoor, to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Chittoor, 12th April 1865, No. 5.

With reference to the Order of Government, dated the 19th January 1865, No. 111, sanctioning the purchase of certain furniture for the District Moonsiffs' Courts of this Zillah, and your letter to the Honorable Judges of the High Court, No. 220, of the 6th February 1865, stating that the said furniture should be procured and paid for before the 1st May next, I have the honor to state that it is not in my power to cause the latter order to be carried out.

2. Five of the six District Moonsiffs have applied to me either for aid in obtaining furniture, or requesting leave to postpone the purchase. My wish has been to get it all made up within the time allowed; but this is not possible. The means available at Chittoor are insufficient, and the prices asked in Madras are far in excess of the amounts allowed. I am promised furniture for one Court by the 15th instant.

3. The abolition of the Tripaty Court having been in contemplation, no steps could be taken to procure the furniture now requisite, if my recent recommendation to maintain the Court there be approved of by the High Court.

4. Under the above circumstances, I have the honor to request that I may be permitted to draw the unappropriated balance of the amount sanctioned, Rupees 506-12-0 at once, and account for it as expended, or to expend this amount for the said purpose, during the next official year.

Amount sanctioned	606	8	0
To be expended in current month	99	12	0

No. 173. ORDER THEREON, 25th April 1865, No. 615.

His Excellency the Governor in Council authorizes the Civil Judge of Chittoor to draw at once the unappropriated balance of Rupees 506-12-0, as an advance on account of the furniture required for the District Moonsiffs' Courts in that Zillah, adjusting the charge upon an audited bill, as soon as he is in a position to do so. The money ought to be drawn before the 1st May next; and should the furniture not cost the full amount of the estimate, the difference can be refunded by the Civil Judge.
