Proceedings of the Madras Government, Revenue Department, 15th June 1865.

No. 308. Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to W. HUDLESTON, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 1st June 1865, No. 544-22 :—

SIR,

1. The Assistant Director in charge of the Settlement operations in Coimbatore has brought to my notice, that the Dresser attached to his party is frequently call[illegible] by the Police and Magisterial Departments to make *post mortem* exami[illegible] murder cases, attend to wounded persons, &c., and that though on these [illegible]s he has to travel considerable distances, he not only receives no remuneration for his services, but has to pay his travelling expenses and cart hire out of his own pocket. The Dresser states that he is most willing to give his services whenever they may be required, but he begs that his travelling expenses on such occasions may be defrayed, and he instances five cases in which he has been called upon during the last few months, and in which his expenses have amounted to Rs. 9-0-6.

2. In reply to a reference which I made to him on the subject, the Principal Inspector General of the Medical Department informs me that the Government lately sanctioned the payment to Medical Subordinates employed in the Military Department, when called on in cases like those above named, of a fee of Rupees 5 for each examination, and a mileage rate of 4 Annas when the distance travelled [illegible] five miles, and he is of opinion that as the Dressers attached to this Depart[illegible] in no way connected with the District Medical duties, they should be treated in the same way as Officers of the Military Department, in regard to fees for [illegible]ties required of them by the Police or District officials. Should the Govern[illegible]ncur in this opinion, I have the honor to request, they will be pleased to sanction the [illegible]ached to the Survey and Settlement Department cal Subordi[illegible]

ORDER THEREON, 15th June 1865, No. 1,318.

No. 309.

Miscellaneous.

The Government see no reason to extend the Rule in question in the manner proposed, but they consider that travelling expenses *bonâ fide* incurred in such cases should be borne by Government, and on production of the necessary vouchers, the Magistrate is authorized to reimburse the Dresser in the amount shewn to have been spent by him on the occasions mentioned.
