2. In paragraph 5 of the Proceedings of the Government of India, in the Financial Department, dated 7th March 1864, No. 1232, officers of the Police Force organized under Act XXIV of 1859 in this Presidency, who receive more than 20 Rupees a month, are declared eligible to pension, under the Uncovenanted Service Pension Rules. I am to inquire whether it is intended that this rule should be extended to officers of the Police Force employed in the Presidency town under Act XIII of 1856. There is no apparent reason why any distinction should be made in this respect between the two Forces.
