Proceedings of the Madras Government, Judicial Department,
21st July 1860.

No. 123. Read the following letter from L. FORBES, Esq., Secretary to the Board of Examiners, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 18th July 1860, No. 205.

I am directed by the Board of Examiners to acknowledge receipt of Proceedings of the Government, dated 13th instant, Judicial Department, No. 875, and in reply to draw attention to the correspondence marginally noted, from which it will be seen that application has already been made for 100 copies of Clarke's Code of Regulations and Acts, and, that the Right Honorable the Secretary of State has expressed his intention of despatching that number by an early opportunity.

The work being still in considerable demand, the Board desire me to request that as many of the 140 copies referred to in Sir Charles Wood's Despatch of the 9th ultimo, No. 20, as can conveniently be spared, may be sent out for resale and distribution to public Officers.

No. 124. ORDER THEREON, 21st July 1860, No. 910.

The 100 copies of Clarke's work referred to in the first paragraph of Mr. Forbes' letter, have been received from England in loose sheets. After having been bound, 90 copies will be forwarded to the Board of Examiners, and the remaining 10 will be retained for use in the Government Office.

2. Application will be made to the Secretary of State for as many more copies of the work, out of the 140 remaining in store, as can be spared.
