Proceedings of the Madras Government, Judicial Department,
17th July 1865.

No. 104. Read the following Proceedings of the Board of Revenue, dated 1st July 1865, No. 3682A.

Read Proceedings of the Madras Government, dated 17th August 1864, No. 1237, Judicial Department.

ABSTRACT.—Requesting the Board to report what sums have been debited and credited to Local Funds in each District, on account of the amount realized by the disposal of the unserviceable Guns.

1. The Board observe, with reference to paragraph 2 of the foregoing Order, that it does not appear from the Local Fund Reports that any sums have been debited or credited to Local Funds of the several Districts for bursting unserviceable Guns. In the Madras District only a small sum of Rupees 7 was credited to Local Funds, on this account, during 1863-64. In the other Districts where Guns were destroyed, the sale proceeds of the fragments were made use of to meet the charges incurred for bursting them, and the transactions did not, therefore, appear in the Local Fund account, as no surplus remained to be carried to the credit of the Fund.

2. The Board regret that through oversight the disposal of this paper has been delayed up to this time.
