Proceedings of the Madras Government, Judicial Department, 27th June 1866.

No. 245. Read the following letter from the Superintending Engineer, 5th Division, to the Secretary to Government, Public Works Department, Fort Saint George; dated Cuddalore, 6th June 1866, No. 39.

I have the honor to forward, for the sanction of Government, an estimate of Rupees 4900, accompanied by Plan and Specification, for building Moonsiffs' Court Houses at Oossoor and Tripatore in the Salem District.

Enclosures.

2. The standard Plan received from the Central Office in 1859 has been followed, but some alterations in the interior arrangements have been made, at the suggestion of the Civil Judge of Salem, and a detached shed has been provided for the use of suitors. The Court House at Tripatore is intended to be built in the large compound of what used to be the travellers' bungalow, but which is now occupied as an office by the Head Assistant Collector.

3. In G. O., of the 22nd of January 1866, No. 250, I was directed to prepare estimates showing the comparative cost of constructing a new Court House for the District Moonsiff, and a new office for the Assistant Superintendent of Police at Tripatore. The cost of the former building, according to the estimate now forwarded, will be Rupees 2450. I have received from the Assistant Engineer of the Oossoor Range a Plan and an Estimate of Rupees 3500, for an office for the Assistant Superintendent of Police. The plan is not approved of by the Deputy Inspector General, as it does not provide accommodation for the School and Hospital. With these additions, the amount of the estimate would, of course, be considerably increased.

4. The Inspector General has, however, stated, in reply to my inquiry, whether the present building, that is the Rest-house, affords all requisite accommodation, that it answers present purposes, and that no radical alterations are required.

Adverting to the greater comparative cost of building a new office for the Assistant Superintendent of Police, and to the fact that the Rest-house already so occupied is reported to answer all present purposes, the Governor in Council considers it preferable that a new Court House should be erected for the District Moonsiff of Tripatore.

2. Orders will accordingly be issued in the Public Works Department,
