Proceedings of the Madras Government, Judicial Department, 7th July 1866.

No. 54. Read the following letter from the Barrack Master, Presidency, to the Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 27th June 1866, No. 395.

With reference to the Orders of Government, No. 922, dated 11th June 1866, I have the honor to submit an estimate of the cost* of providing furniture for the Debtors' rooms in the Grand Jail, prepared in communication with the Sheriff of Madras.

ENCLOSURES 2.
1 Estimate.
1 Statement.

* Rupees 269.

2. The requisition for cots and chairs is larger than would appear to be necessary from the Report of the Sanitary Commissioner who recommends that ten rooms should be supplied with furniture. I learn, however, it is considered very desirable to provide cots for Natives occupying the lower room of this portion of the Jail, more especially in case of illness, or "for sick and weak persons"; and from an inspection of the rooms, which are probably damp during rainy weather, I would recommend [illegible].

3. The number of chairs is also in excess of the number of rooms, but this is accounted for by the occasional want of additional chairs, and I have, therefore, entered the demand in full.

No. 55. ORDER THEREON, 7th July 1866, No. 1055.

The Governor in Council sanctions the provision of the furniture recommended in the foregoing letter for the Debtors' rooms in the Grand Jail.
