state that Vizagapatam has become the head quarters of the Sub-Agent for the Mauritius, and that nearly all the Northern Coolies are now shipped at that Port in Steamers for Madras. There, no doubt, is a great amount of scriptory work, which will at times require the undivided attention of a writer; but whether one can be spared for this purpose from the Collector's Establishment is a question I am not able to give an opinion upon.

Referred to the Magistrate of Godavery, for report as to whether, with reference to the removal of the Sub-Depot for Emigrants from Rajahmundry to Vizagapatam, the services of the Clerk hitherto employed in preparing the Emigration Registers can be placed at the disposal of the Magistrate of Vizagapatam.

FORT SAINT GEORGE,
30th May 1866.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.

No. 87. From the Magistrate of the Godavery District, to the Chief Secretary to Government, Fort Saint George; dated Cocanada, 5th June 1866, No. 141.

With reference to your Memorandum, dated 30th ultimo, annexed to a letter, dated 21st May 1866, from the Protector of Emigrants to your address, I have the honor to inform you that a Clerk on my general Establishment has been hitherto entrusted with the preparation of Emigration Registers, in addition to his ordinary duties. I am, therefore, unable to spare his services, for employment under the Magistrate of Vizagapatam.

No. 88. From the Accountant General, Madras, to the Acting Chief Secretary to Government, Fort Saint George; dated Fort Saint George, 28th June 1866, No. 85.

Book Department.

With reference to your endorsement dated 21st instant, on letter from the Magistrate of Vizagapatam, No. 81, dated 28th April 1866, I have the honor to report that the fees levied on Emigrants to British Colonies are credited in the accounts to "Emigration Fee Fund", while those received for Emigrants to French Colonies are taken to "Emigration Fee Fund, French Colonies."

2. I beg to enclose two Memoranda, showing the receipts and charges of the two Funds in the Vizagapatam District, from 1863-64 (previous to which there were no transactions in the District) up to 1865-66, from which it will be observed that the monthly average receipts under "Emigration Fee Fund" is Rupees 44-14-2, and under "Emigration Fee Fund, French Colonies", Rupees 7-5-4.

3. I beg to observe here that, although in the Vizagapatam District the charges under the two heads above named are less than the receipts, yet the entire charges of this Presidency under "Emigration Fee Fund, French Colonies" are in excess of the gross receipts of this Fund, or, in other words, the Fund is not solvent--which circumstance is already known to the Government of India.
