Proceedings of the Madras Government, Judicial Department, 10*th July* 1866.

No. 90,. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, Madras, to the Secretary to Government, Revenue Department, Fort Saint George; dated Madras, 16th June 1866.

I have the honor to submit a letter from Mr. Carmichael, Agent to the Governor in Vizagapatam, recommending an increase of salary from Rupees 100 to Rupees 150, for the Sub-Magistrate situated at Gunapur in the Jeypore country, on the ground that (as it appears to me for political reasons) "the two Maliah Sub-Magistrates in Ganjam draw that rate of pay," and in the Taluq entrusted to the Gunapur Sub-Magistrate "are included all the seven Muttahs of Kotyia or Mountaineer "Khonds, and the Country of the Hill Sowrah tribe, which has hitherto proved so "specially truculent."

2. I have no official cognizance of the Maliah Sub-Magistrates in Ganjam. They seem to have been sanctioned in the Judicial* Department, but are not included in my List of Establishments. This may have been an oversight, for, the Jeypore Sub-Magistrates were also sanctioned in the Judicial Department, by Order of Government, 28th June 1861, No. 837, which was communicated to me; and the additional Sub-Magistrate at Royaguddah, in the Jeypore country, was sanctioned also in the Judicial Department, Order of Government, dated 4th May 1863, which was also communicated to me in Revenue Department, Order dated 9th May 1863; and this charge was specially ordered to be included in my revised scheme of Establishment. It is probable, therefore, that the Ganjam Sub-Magistrates ought to be included in my List, but I am not sure, as they form part of the Agency Establishment of Ganjam, which has not come under my revision, and the rate of Office Establishment is on a different scale to mine.

Judicial Department, Order of Government, dated 8th May 1862, No. 757.

3. But, on political grounds, Government may see reason, on Mr. Carmichael's recommendation, to give the same amount of salary to the Sub-Magistrate at Gunapur, in Vizagapatam, as that allowed to the two Sub-Magistrates in the Ganjam Maliahs similarly situated. I have, therefore, submitted the Agent's letter for the orders of Government.

From D. F. CARMICHAEL, Esq., Agent to the Governor of Fort Saint George ni Vizagapatam, to the Honorable C. PELLY, Member of the Board of Revenue, Fort Saint George; dated Vizagapatam, 7th June 1866, No. 443.

I have been requested by the Sub-Magistrate of Gunapur to move Government to raise his salary from 100 Rupees a month to 150 Rupees, on the ground that the two Maliah Sub-Magistrates in Ganjam draw that amount of pay, and that his duties are not a whit less heavy and responsible than theirs.

2. The office of the applicant is no doubt a very onerous one, presenting this peculiarity over and above other Sub-Magistrates' offices in the Jeypore country, that in his Taluq are included all our seven Muttahs of Kotiya or Mountaineer Khonds, and the country of the Hill Sowrah tribe, which has hitherto proved so specially truculent.

3. If your last disposition of Sub-Magistrates and their Establishments, lately sanctioned by Government, admits of any additions or changes, I should be much obliged by your transmitting this letter with your recommendation. The salary I solicit is for the *Office* permanently, and not for the present Sub-Magistrate only.

Acting Secretary to Government, R. D.

No. 91. ORDER THEREON 10th July 1866, No. 1073.

The Right Honorable the Governor in Council is of opinion that, for the reasons given by Mr. Carmichael, the Gunapur Sub-Magistrate should be placed, as regards salary, on the same footing as the two Maliah Sub-Magistrates in Ganjam, whose salaries were originally fixed at 150 Rupees a month.

2. The Ganjam Sub-Magistrates should certainly be included in Mr. Pelly's Statements.

3. The Governor in Council observes that the Establishments of the Sub-Magistrates of Mahasinghi and Oodiagiri, in Ganjam, differ from the scale adopted for other Sub-Magistrates' Offices. Mr Pelly should consider whether those Establishments should not be brought into uniformity with the general sanctioned scale.
