Proceedings of the Madras Government, Judicial Department, 29th January 1866.

No. 205. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 23rd January 1866, No. 713.

I have the honor to submit an application* from the Superintendent of the Jail at Mangalore, for the immediate release of a prisoner, Mangesha, convicted (of furnishing false information respecting an offence) under Section 177 of the Penal Code, and sentenced to 18 months' imprisonment, on the 15th February last, but who is now in a state of health that precludes all hope of recovery, except he be released. The case is one that I have no hesitation in recommending to the merciful consideration of Government.

2. I would beg that, if the release is sanctioned, Dr. King may receive the orders of Government by telegraph.

* Dated 18th January 1866, No. 3.

From Assistant Surgeon H. KING, A. B. & M. B., Superintendent of the Jail at Mangalore, to the Inspector General of Jails, Ootacamund; dated Mangalore, 18th January 1866, No. 3.

I have the honor to request that you will recommend to Government the remission of the remaining portion of the sentence of a convict, named Mangesha, No. 1644, on the ground of his state of health.

2. This prisoner was sentenced to 18 months' rigorous imprisonment, for furnishing false information respecting an offence (Section 177 of the Indian Penal Code), on the 15th February 1865, so that seven months of his time only remain. I believe his death to be certain if he continues in confinement to the end of his sentence, and that immediate release affords his only chance of recovery. His disease has been Diarrhœa with consequent Atrophy.

3. As the case is *very* urgent, I have the honor to request that you will be good enough to forward the application, with as little delay as possible, and to ask for an early reply from Government.

No. 206. ORDER THEREON, 29th January 1866, No. 114.

Under the circumstances stated in the foregoing letter the Governor in Council is pleased to remit the unexpired portion of the sentence passed upon the prisoner, Mangesha, therein referred to, and directs that the following telegram be despatched to the Superintendent of the Jail at Mangalore:—

"The Government sanction the immediate release of the prisoner Mangesha, referred to in your letter to Inspector General of Jails of the 18th instant."
