Read the following :—

No. 27. Letter from the Officer Commanding Southern Division, to the Adjutant General, Head Quarters, Ootacamund; dated Trichinopoly, 11th July 1866, No. 99.

The Officer Commanding Wellington "reports that the Commissariat Guard "at that Station, consisting of 1 Corporal and 3 Privates, is at present furnished "from the Convalescent Depot; that the Guard is at least one mile and a half from "the Barracks, and two miles from most of the houses occupied by the Officers, but "that it is only a few hundrod yards from the Police Station."

2. As the men and Officers now at Wellington are convalescents, and are frequently in a delicate state of health, and the Officers have to visit this Guard after 10 o'clock at night (involving a walk of four miles), which in wet weather must naturally be very prejudicial to a man in a weakly state of health, I have the honor to request that the circumstance may be submitted to His Excellency the Commander-in-Chief, in view to Government being moved to allow of the buildings being taken charge of by the Police, and the Guard withdrawn.

No. 446.

MEMORANDUM.

Submitted to Government, with the Commander-in-Chief's recommendation that the Troops at Wellington may, as a special case, be relieved (by the Police) from furnishing a Guard over the Commissariat Buildings at that Station.
