Notes by the Honble H. D. Phillips
on Proceedings of Government No. 273,
dated 4th August 1866. 21

Cholera, as I am in-
formed, has generally prevailed in the
town of Cuddapa, for some time past,
and would require an early report through
the proper department, of the extent of
the reported out-break in the jail.
It will not do, I think, to allow every
Zillah Surgeon on the first appearance
of one or two cases of Cholera, to call
for a whole batch of tents in which to
turn the contents of a jail such
as that of Cuddapa.
