*Proceedings of the Madras Government, Public Works Department,
27th July 1866.*

No. 643. Read the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George, dated Ootacamund, 13th July 1866, No. 43 :—

With reference to the Order of Government, in the Public Works Department, dated 12th June, No. 1,843, I have the honor to bring to your notice that the Officer in charge of the Jail at Paumbem, reports that the roof is in very good order at present, and is not likely to require the slightest repair this year. I have thought it expedient to mention this, as the sum sanctioned is considerable and might be advantageously applied elsewhere, especially at the Central Jail at Salem, where a Hospital and Female Ward are much required.

Transferred to the Public Works Department.

(Signed) W. HUDLESTON,

16th July 1866.

Acting Secretary to Government.

No. 644. ORDER THEREON, 27th July 1866, No. 2,381.

CIVIL WORKS, No. 98.

The Inspector General of Jails is informed that, as the safety of the prisoners confined in the Jail at Paumbem demands that a tiled roof should be substituted for the present thatched roof, the work sanctioned in G. O. No. 1,843, dated the 12th June 1866, should be carried out at once.
