*Proceedings of the Madras Government, Judicial Department,
8th August 1866.*

Read the following papers :—

No. 119. From H. E. SULLIVAN, Esq., Acting Collector of Kurnool, to the Chief Secretary to Government, Fort Saint George; dated Kurnool, 1st August 1866, No. 29.

I have the honor to inform you that Brevet Surgeon Lowe, who was sent from Bangalore during the recent outbreak of cholera at Kurnool, has reported sick, and leaves this station on the 2nd August, on Medical Certificate.

2. With the sanction of the Officer Commanding Kurnool, Assistant Surgeon Croudace, attached to the 28th Regiment, has, as a temporary measure, assumed charge of the Jail and Civil Establishments.

3. I enclose copy of Colonel Babington's letter on the subject, and have only to add that I quite concur with him in thinking it most inexpedient that both Civil and Military duty should devolve upon one Medical Officer for any length of time in a place like Kurnool.

4. If Doctor Keess is likely to be detained for any length of time on special duty, I trust that provision will be made at an early date for supplying his place here with an experienced Medical Officer.

From Surgeon T. LOWE, Officiating Zillah Surgeon, Kurnool, to the Collector of Kurnool; dated Kurnool, 31st July 1866.

In consequence of severe indisposition, I have been recommended by Doctor Croudace to quit Kurnool forthwith, to return to Bangalore. I have, accordingly, made over charge of the Zillah to that Officer, and intend leaving this station on the evening of the 2nd August.

From Lieutenant Colonel J. H. M. BABINGTON, Commanding Kurnool, to the Collector of Kurnool; dated Kurnool, 30th July 1866, No. 315.

I have the honor to report that there is no objection to Assistant Surgeon Croudace, 28th Regiment N. L., as a temporary measure, assuming medical charge of the Jail and Civil Establishments of the station, the regular incumbent having reported sick.

2. I believe I need not urge upon you the advisability of applying for another Medical Officer, should Doctor Lowe's sickness be likely to prevent his resuming his duties for any length of time, as you are well aware that it is highly inexpedient to leave a station like this, liable to severe attacks of epidemics, with only one Medical Officer available for duty.

No. 120. From the Officiating Principal Inspector General, Medical Department, to the Secretary to Government, Fort Saint George; dated Fort Saint George, 6th August 1866, No. 288.

With reference to the Proceedings of Government, Judicial Department, No. 1179, of the 2nd instant, I have the honor to report, for the information of Government, that Brevet Surgeon Lowe, at Kurnool, has to-day sent in a sick certificate. I have the honor, there being no available Commissioned Medical Officer, to recommend for sanction the following arrangement, as a temporary measure :— "Second Apothecary Michael Netscher to have Medical Charge of the station, Jail, and Dispensary of Kurnool, during the absence of Assistant Surgeon Keess, or until further orders."

2. I beg to request that, to obviate future reference, the allowances may be authorized to be passed to Second Apothecary Netscher.
