No. 124. Read the following letter from the Registrar General of Assurances, to the Chief Secretary to Government, Fort Saint George; dated Madras, 7th August 1866, No. 230.

I have the honor, in continuation of my letter, No. 223, of the 2nd instant, to report that the Registrar of South Arcot recommends the appointment of a non-official Sub-Registrar to Chitamberum, on the ground that the pressure of Revenue and Magisterial work at that station is so heavy as not to leave the Tahsildar sufficient leisure to do justice to his registration duties.

2. The number of registrations in this office during the past official year was 1117. The fees collected amounted to Rupees 1264-8-0. Under the present table of fees the collections may be expected to average about Rupees 160 per mensem, and as this will be probably sufficient to secure the services of a competent non-official, I beg permission to insert an advertisement in the Gazette, inviting applications for this post.

ORDER THEREON, 8th August 1866, No. 1239.
