Read again letter from the Inspector General of Jails, dated 2nd July 1866, No. 2, recorded in Proceedings, dated 19th idem, No. 1121.

No. 148. Read also the following letter from the Inspector General of Jails, to the Chief Secretary to Government, Fort Saint George; dated Ootacamund, 24th July 1866, No. 50.

In reply to the Order of Government noted in the margin, I have the honor to state that the establishment proposed in my letter of the 2nd instant is that which I consider will be necessary when

the Jails are finished and fully occupied; but I do not contemplate employing a Matron until the Female wards are built, nor do I propose to entertain Warders, except in proportion to the number of convicts received.

2. The duties of the Matrons will be to superintend the women while engaged in spinning, pounding paddy, or other labor; to see that their personal cleanliness is properly attended to; and to exercise a general supervision over them, subject to the general control of the Keeper. Suitable persons will, in all probability, be found amongst the widows of European or East Indian Soldiers, and should it happen that the wife either of the Jailer or of the Deputy Jailer should be competent and willing to undertake the duty, I do not see that there would be any objection to their employment.
