Proceedings of the Madras Government, Judicial Department,

15th August 1866.

No. 155. Read the following letter from the Inspector General of Police, to the Acting Chief Secretary to Government, Fort Saint George; dated Kotagherry, 23rd July 1866, No. 1203.

General Department.

With reference to Government Order, No. 1037, dated 11th July 1866, I have the honor to state that, in communication with several Magistrates, and on the recommendation of all the Superintendents of Police, I have entirely modified my views as stated in my letter, dated 27th March 1863, No. 777, and several, if not all, Magistrates pay the fee to an Inspector of Police, when employed as a Public Prosecutor, as they do to any one else.

2. I beg to state that the duty is most onerous and difficult, and is not the sole duty performed by the Inspector. The temptations are very great. They were often employed in prosecution of cases, in the defence of which hundreds, if not thousands, of Rupees are being laid out. The honest prosecution of cases is now the real difficulty in Judicial Administration.

No. 156. ORDER THEREON, 15th August 1866, No. 1258.

As the fee is special remuneration for a special duty, requiring care and judgment, the Governor in Council considers that it should be paid to all Public Prosecutors, whether Public Servants or not, duly appointed by the Magistrate.
