No. 167. Proceedings of Government, dated 15th August 1866, No. 1264.

In the Proceedings of Government under date the 23rd September 1862, No. 1571, permission was given to the Civil and Session Judge of Tanjore to occupy the upper story of the Residency, at a moderate rent, for a period not exceeding twelve months, within which time he must find accommodation for himself elsewhere. Nearly four years have elapsed since the date of this Order, and the Civil and Session Judge, it is understood, still occupies the building. The arrangement is one which the Governor in Council cannot allow to continue as a permanency, and he directs that it be intimated to the Acting Civil and Session Judge that the Government expect that he will provide himself with a house before the end of the present Calendar year, on which date the occupation of any part of the Residency main building will absolutely cease.
