None.

2. I have, therefore, in communication with the Collector of Ganjam, made arrangements for disposing of the building to the best advantage.

3. The building at Nowgam has been bought for Rupees 110 by Mr. Supervisor Lever, with a view to his pulling it down and making use of its materials for work in progress.

4. The Moonsiff's Court has not yet been disposed of, as the Zemindar of Palasa has brought forward a claim for the site on which the building at present stands. The Collector has therefore made a reference to the Board of Revenue, whose decision in the matter has not yet been communicated to me.

No. 237. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 15th May 1866, No. 16.

With reference to paragraph 3 of my letter No. 3,312 of 25th ultimo, I have the honor to report that an inhabitant of Bulligonta having subsequently offered Rupees 114, or Rupees 4 more than the sum at which the materials were valued, the disused Tahsildar's Catcherry at Nowgam has been sold to him for that amount.

No. 238. From the Superintending Engineer, 1st Division, to the Secretary to Government, Public Works Department, dated Waltair, 1st June 1866, No. 27.

In reply to your Memorandum, No. 195 of 23rd ultimo, I have the honor to report that the disused Tahsildar's Catcherry at Nowgam was not under the control of the Public Works Department, but that its disposal, by public auction, was undertaken by this Department in communication with, and at the request of, the Collector of Ganjam.

No. 239. From the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Masulipatam, 25th April 1866, No. 169.

1. With reference to G. O. No. 243, dated 22nd January 1866, and to your Memorandum No. 145, dated 18th instant, I have the honor to report that none of the buildings therein referred to are required by this Department with the exception of the two below mentioned:—

Part of Sydapur Taluq Catcherry in Rapur Taluq.
Old Barracks in the Fort of Ongole.

*Proceedings of the Madras Government, Public Works Department,

2. The former building (in part) has for some time been in use by this Department as a store-room, and the latter, after a few alterations, will suit well as a Range Office and Store-room of the 4th or Northern Range, and I am now in communication with Mr. Dykes, the Collector, on this subject.

No. 290. From the Superintending Engineer, 3rd Division, to the Secretary to Government, Department Public Works, dated Bellary, 27th July 1866, No. 1,136.

1. With reference to G. O., No. 243, of the 22nd January last, I have the honor to inform you that the only public building in the Bellary District required for the use of this Department is the old Travellers' bungalow at Courtiny; this has already been handed over by the Collector, as intimated in his despatch of the 22nd May 1866, No. 722.

2. The Collector of Kurnool has been informed that none of the buildings in that District will be required by the Public Works Department.

2. If Government approve of the proposals of Range Officers, arrangements will be made, as directed in paragraph 2 of their Order above quoted, in communication with the Collectors of the Madras and North Arcot Districts, for disposing of the several buildings, which are not required, to the best advantage.

Proceedings of the Madras Government, Public Works Department,

14th August 1866.

No. 292. From the Superintending Engineer, 5th Division, to the Secretary to Government, Department Public Works, dated Cuddalore, 24th April 1866, No. 125.

1. With reference to paragraph 1 of G. O. No. 243 of the 22nd January 1866, and your Memorandum No. 145 of the 18th instant, I have the honor to state that none of the old buildings will be required for the use of this Department.

2. As regards paragraph 2 of the Order, I have to inform you that in paragraph 3 of the Order noted in the margin, which accompanied G. O., No. 566, dated 17th February 1866, the sales of the buildings are ordered to be conducted by the Collectors.

No. 293. From the Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Yassanacoray, 21st April 1866, No. 2,230.

1. I have the honor to reply to G. O. No. 243, dated 22nd January 1866.

2. Of the buildings entered in the list which accompanied the G. O., the Travellers' bungalow at Sengiputti is the only one under the control of the Department of Public Works, and it is required as a Store-shed.

No. 294. From the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Coonoor, 21st April 1866, No. 340.

1. None of the buildings named in the list with G. O. No. 243, of 22nd January, are under the Public Works Department.

Civil Dispensary at Malliapooram, Old Moonsiff's Court House, Quilandy.
The former, I am told, is partly occupied by the Police as a Hospital, but there is a Police Hospital besides, and one or other building should be otherwise disposed of. The Court House, I am told, should be made over as a native Moosaferkhana, and the building which goes by the latter name should be formally designated a Soldiers' Rest-house, that being the real purpose for which it is used.
